### Largest area under PMC, Pune officially becomes biggest city in Maharashtra

The PMC will now have a geographical area of 516.18 sq km, thus replacing the Brihanmumbai Municipal Corporation (BMC), which has 440 sq km area, as the civic body with the largest area.

Pune has officially become the city with the largest geographical area in Maharashtra after the state government on Wednesday issued an order for extending the boundaries of Pune Municipal Corporation (PMC) to include 23 new villages in the existing city limits.

The PMC will now have a geographical area of 516.18 sq km, thus replacing the Brihanmumbai Municipal Corporation (BMC), which has 440 sq km area, as the civic body with the largest area. With the new urban limits, Pune also becomes the seventh largest city in the country.

Incidentally, the PMC has an estimated budget of Rs 8,370 crore for 2021-22, as compared to the Rs 39,038 crore budget of the BMC.

The state Urban Development department had issued the notification on December 23 last year announcing its intention to extend PMC boundaries to include the new areas. "The state government has considered the objections and suggestions received to the notification," the order stated, adding that the government has decided to alter the limits of the civic body.

The 23 adjoining villages merged in PMC limits are Mhalunge, Sus, Bavdhan Budruk, Kirkatwadi, Pisoli, Kondhwe-Dhawade, Kopre, Nanded, Khadakwasla, Manjari Budhruk, Narhe, Holkarwadi, Autade-Handewadi, Wadachiwadi, Shewalewadi, Nandoshi, Sanasnagar, Mangdewadi, Bhilarewadi, Gujar Nimbalkarwadi, Jambhulwadi, Kolewadi and Wagholi.

The state government had first declared its intention to include 34 villages in PMC limits in 2014, but the process was delayed and only 11 villages were merged in the PMC, that too after an intervention by the Bombay High Court in 2017. The High Court had urged the state government for a response over its delay in merging the villages in PMC limits, after the villagers approached the court.

The 11 villages merged in 2017 were Lohegaon, Mundhwa, Hadapsar, Uttamnagar, Shivane, Ambegaon Khurd, Undri, Dhayari, Ambegaon Budruk, Phursungi and Urli Devachi.

### **PRATHAMA (RAMTEKDI, PUNE)**

The Ramtekdi slum is spread across 50 acres. To rehabilitate the slum dwellers in this area, we took over 15 acres of this land and started our pilot project 'Prathama'. This redevelopment programme consists of 7 buildings with 11-stories providing a permanent roof to 1176 families. We completed the first phase of this project in 2015 and handed over well-built homes to 516 families. Each unit in these buildings is a self-contained house of 25 square meters and is equipped with basic civic amenities and community facilities.

For our second slum rehabilitation project, we set our eyes on the slum dwellers located near Dandekar Bridge. We aimed to transform the lifestyle of the people dwelling in that locality, hence the project was named Parivartan.

To ensure that we preserve the fabric of community living, Parivartan has large common areas, common spaces on every floor, and lively wall painting to enable the residents in coming together as a happy community.

### **PARIVARTAN (DANDEKAR BRIDGE, PUNE)**

### **VAKOLA (SANTACRUZ, MUMBAI)**

Situated in Vakola, Santacruz East, our slum rehabilitation project aims to offer quality homes to 3000 slum dwellers. To achieve this objective, we have already started the construction process. Our first building consists of 13 storeys with seven units of 1 BHK flats on each floor. We offer 300 square feet per 1 BHK unit; following the regulations made by the government and the Slum Rehabilitation Authority.
