An Island of Happiness and Prosperity

The Dwarka Township is inspired by Lord Krishna, who chose a rich natural landscape to establish his capital city, to create an island of opportunity, prosperity and happiness. The 130 acre township, already home to 1655 families is poised to recreate this holistic lifestyle. All the necessities of life, a plethora of recreational amenities and the promise of a rapidly growing industrial area at Chakan- Talegaon Road,

The location of Dwarka is such, that chakan is on one side and Talegaon is on the other. Both these suburbs have industrial estates, where Indian and international industrial giants have set up their world class manufacturing plants...opening up a gamut of opportunities. And due to this consistent growth, real estate prices here will only keep

So choose Dwarka for your dream home and rest assured of eternal prosperity.

Bharat Pattern Housing

Everyone aspires to give a better quality of life to the family, and works tirelessly to achieve this. At Naiknavare Developers, it is our passion to create housing solutions that bring better quality of life within everyone's reach. The core vision behind Naiknavare's Dwarka embodies a philosophy of inclusive urban living which is coined as 'Bharat Pattern Living'. This model has its roots deeply embedded in the understanding of the socio-economic conditions of a rapidly urbanizing 'Bharat'. The model works under the assumption that the effective integration of populations belonging to diverse socio-economic backgrounds is vital to the success of the community and its environment on micro and macro scales.
