ONGOING SRA PROJECT

PRATHAMA (RAMTEKDI, PUNE)

The Ramtekdi slum is spread across 50 acres. To rehabilitate the slum dwellers in this area, we took over 15 acres of this land and started our pilot project 'Prathama'. This redevelopment programme consists of 7 buildings with 11-stories providing a permanent roof to 1176 families. We completed the first phase of this project in 2015 and handed over well-built homes to 516 families. Each unit in these buildings is a self-contained house of 25 square meters and is equipped with basic civic amenities and community facilities.

For our second slum rehabilitation project, we set our eyes on the slum dwellers located near Dandekar Bridge. We aimed to transform the lifestyle of the people dwelling in that locality, hence the project was named Parivartan.

To ensure that we preserve the fabric of community living, Parivartan has large common areas, common spaces on every floor, and lively wall painting to enable the residents in coming together as a happy community.

PARIVARTAN (DANDEKAR BRIDGE, PUNE)

VAKOLA (SANTACRUZ, MUMBAI)

Situated in Vakola, Santacruz East, our slum rehabilitation project aims to offer quality homes to 3000 slum dwellers. To achieve this objective, we have already started the construction process. Our first building consists of 13 storeys with seven units of 1 BHK flats on each floor. We offer 300 square feet per 1 BHK unit; following the regulations made by the government and the Slum Rehabilitation Authority.
