

At Naiknavare, our commitment goes beyond creating valuable real estate. We believe in building enduring relationships with our customers, and our newsletter is one way we strive to achieve that. Through our newsletters, we aim to keep our valuable customers informed about the latest happenings within the Naiknavare family, specifically regarding their own projects.

In the October 2023 Edition of Patron's Connect, we bring you near-real time updates on the construction progress of Neelaya and other related developments. We are delighted to share glimpses of noteworthy events, including customer outreach programs, and social gatherings held within the premises of your own project.

We hope you find this communication informative and enjoyable.
